

### ISF PARTNERING

LTC Dale Kuehl
Scorpion 07
Senior Combined Arms BN Trainer

## Keys to Successful Partnering

- Attitude
- Organization
- Combined Patrolling
- Combined Targeting/Battle Rhythm
- Combined Command and Control

### **Attitude**

- Build relationships
- If you do not treat counter part with respect, they will not treat you with respect
- Hold leadership accountable
- Watch for sectarian agendas

### Organization

#### **BDE MITT Focus**

- BDE Level Focus
- Staff processes
  - Tactical
  - Admin
- Training management

#### **Partnership Battalion**

Training/advising BDE/BN level

- Combined battle rhythm
- Combined targeting
- Combined C2
- Peer relationship w/ IA BN CDRs

### Organization

#### **BN MITT Focus**

- BN Level Focus
- Staff processes
  - Tactical
  - Admin
- Training management

#### Partnership companies

- Assist in planning/execution
- Training/advising company level and below
- Combined TLPs
- Combined patrolling
- Assist in individual/collective training

### **Combined Patrolling**

- Company commanders work out patrol schedule with counterpart BN
- Patrol leaders meet early to finalize plan
- Combined pre-brief
- Combined mission brief/OPORD
- Combined rehearsals
- Combined execution
  - Who is in charge?
  - Who gets the detainee?
  - Do not allow abuses
- Combined debrief
