The Generals... Readable but Flawed?

By ***Peter J. Munson***

SWJ Blog Post | Nov 30 2012 - 4:19pm

Gian Gentile provides an **intelligent dissection of Tom Ricks' *The Generals: American Military Command from World War II to Today at the New York Journal of Books***, deeming it "highly readable but flawed."

Tom Ricks's new book *The Generals* regresses from Keegan and takes us back to a less complicated form of military storytelling in which wars' outcomes were determined solely by the performance of army commanders.

The main argument to the book is simple: Relieve American army generals in war for poor performance and victory will be more attainable.
